

Financial Commitment

The Stars Foundation™ is a 501(c)3 organization registered in the state of Tennessee, USA.

We are governed by a responsible Board of Directors. Our Board meets to establish policies, approve budgets and review operational results and accomplishments.

Our financial statements are prepared in accordance with generally accepted accounting principles.

Our fund-raising appeals clearly identify the purpose and programs to which donations will be applied, and if a partnering organization is receiving a portion of the funds, that percentage of proceeds is clearly defined.

Our national board has granted that a state by state Executive Council can be established with a State Chairman. *The Stars Foundation™* National Office oversees the funds for all events.

Contributions to the ministry are tax deductible to the full extent allowed by law. In order to help our donors determine the tax deductible portion of their gifts, we receipt all donations showing the fair market value of any goods or services provided to the donor. In kind donations are also allowed fair market value receipts.

Out of respect for individuals' privacy, we do not sell or rent our mailing list to other groups wishing to use the names and addresses of our supporters. We maintain tight security on our list of friends and supporters!
