

UN WORLD ORPHANS DAY PROMOTION COMMITTEE joins with THE STARS FOUNDATION in Campaign

The Stars Foundation has been invited to join the Japan based UN World Orphans Day Promotion Committee in its advocacy work calling for a UN observed World Orphans Day.

In September, Cheryl Robeson Piggott, CEO of The Stars Foundation met with Mr. Tauchi Motoi in Charlotte, North Carolina to discuss how the two organizations can best work in unison for a World Orphans Day sanctioning by the United Nations.

The UN World Orphans Day has held high level government forums in Tokyo, Japan in the past as well as the upcoming event October 15-16 in New York City, at the Japan Society. The Stars Foundation is one of the co-sponsoring organizations and has been invited to speak as a featured guest organization at the event being held to honor the Communal House of the Family of Heart, a Social Welfare Organization in Japan and Korea. The Event is honoring and paying tribute to the parents of Mr. Tauchi Motoi, who founded Family of Heart and the Communal House for Orphans.

World Orphans Day is the second Monday in November each year. This event at the Japan Society will be will represented with media and high level government officials including the Ambassadors to the UN from Korea and Japan. This event will be a press event that promotes the advocacy work of the UN World Orphans Day Promotion Committee and World Orphans Day.

Cheryl Robeson Piggott was invited to serve as UN World Orphans Day Promotions Co- Chairman at this meeting and will be represented at the Japan Society in that capacity as well as Founder of World Orphans Day.

The Stars Foundation welcomes the partnership with UN World Orphans Day Promotion Committee to best serve the orphans of the world by jointly calling for and advocating leading Government agencies including the United Nations, to observe the Second Monday in November as World Orphans Day.
