

**Actions Lead to Miracles**

**Empowering Spiritual  
Growth**

## About:

Roger J. Piggott is an established speaker, television producer, evangelist and Tennessee State Certified substance abuse counselor, founder of HEARTS on Fire Ministry, and ICEMAN Television Productions. Roger has worked with Fortune 500 companies, groups, individuals and ministries from all over the world

Roger's inspirational message is that Peace, Love and Joy can only be found in Jesus Christ. His mission is to equip people to take control of their lives and presents them in a way that inspires, and builds confidence within one's self and others.

Roger's presentations have proven positive for workshops, ministry conferences, churches, youth, radio & television, education, and meetings that want to enrich and complement their programs or services.

## Roger's Credentials Include:

## AS SEEN ON

## A Sampling of Topics

**Whether you have been Disenfranchised, Ostracized, or Criticized**, you need to find a way to overcome obstacles that prevent you from succeeding in your endeavors. It doesn't matter if these obstacles are at your job, in your community, or in your personal life, you still need the courage to rise above them. Roger provides you with the inspirational tools and skills to take control of your life and empower yourself to greater things.

**The Best YOU is Out There.** Learn the benefits of having a strong Spiritual presence and how to effectively utilize the Holy Spirit as an effective tool in the Kingdom of God. Making your Dreams become a Reality while standing out and taking control of your life.

**Addictions lead to Afflictions.** Addictions are like Weapons of Mass Destruction that can Make or Break You! Learn how the Holy Spirit can be your best friend in times of trial and tribulations. An informative workshop on Spiritual Cleansing and Wickedness in Heavenly Places is empowering for individuals to reach their God ordained destinies. Roger takes you through the 5 steps to maximize your effectiveness with Mental Health and Addiction related issues.
