MAKE A LASTING IMPACT

“Arise for America’s Future”

Iceman Productions™ in collaboration with Savannah Entertainment™ has been commissioned to produce a patriotic 26-episode television series cleared for broadcast in America. The series commemorates our *American Heritage* while paying tribute and honoring our troops and veterans. The series, with the working titled ***Patriot Nation***, will be syndicated through a comprehensive network of regional cable and on-line streaming platforms which include ***AIM Country Music Television*** with Comcast, ***Iceman Extreme Sports*** on ***Roku, Apple TV***, and ***Amazon Fire*** and on the ***NRB Television Network*** reaching 50+ million households per each episode airing.

Produced for an American television audience, ***Patriot Nation*** features the country’s premiere patriotic sites, events, concerts, and rallies. Content includes a variety of high impact film shoot locations selected to inspire an American audience with National Pride. The series showcases a variety of festivity highlights and musical performances captured from several historic sites and mass consumer attended events, attracting more than 3 million attendees annually. The foundation for the series is Veterans and their supporters, motorcycle enthusiasts and country music fans. ***Patriot Nation*** focuses on what makes our nation great and looks back at heritage sites to explore the valor and courage of our founding fathers and early patriots.

Specially-produced segments showcase the veterans’ heartfelt “Stories of Valor.” Engaging high profiled public figures, combined with celebrity concert highlights and complementary music video footage provides the platform for a heartfelt message of Love for America. The series is designed to convey an ardent passion to return America back to its greatness. Our hosts provide a detailed look at what draws millions of attendees to numerous patriot gatherings in an easy-to-follow storyboard.
