SYNOPSIS

MAKE A LASTING IMPACT

“Arise for America’s Future”

Iceman Productions™ in collaboration with Savannah Entertainment™ has been commissioned to produce a patriotic 26-episode television series cleared for broadcast in America. The series commemorates our *American Heritage* while paying tribute and honoring our troops and veterans. The series, with the working titled ***Patriot Nation***, will be syndicated through a comprehensive network of regional cable and on-line streaming platforms which include **Comcast, Iceman TV on Roku, Apple TV, and Amazon Fire** and on the **NRB Television Network** reaching 50+ million households per each episode airing.

Produced for an American television audience, ***Patriot Nation*** features the country’s premiere patriotic sites, events, concerts, and rallies. Content includes a variety of high impact film shoot locations selected to inspire an American audience with National Pride. The series showcases a variety of festivity highlights and musical performances captured from several historic sites and mass consumer attended events, attracting more than 3 million attendees annually. The foundation for the series is the American Armed Forces, Veterans and their supporters, motorcycle enthusiasts and country music fans. ***Patriot Nation*** focuses on what makes our nation great and looks back at heritage sites to explore the valor and courage of our founding fathers and early patriots. Specially-produced segments showcase the veterans’ heartfelt “Stories of Valor.” Engaging high profiled public figures, combined with celebrity concert highlights and complementary music video footage provides the platform for a heartfelt message of Love for America. The series is designed to convey an ardent passion to return America back to its greatness. Our hosts provide a detailed look at what draws millions of attendees to numerous patriot gatherings in an easy-to-follow storyboard.

Patriot Nation is being produced as a prime time “magazine style” television series with syndicated broadcast throughout America and select Caribbean, South American, Asian, and European countries. **Iceman Productions™** is a full-service production company specializing in television production and syndicated broadcast of “Network Ready to Air” programming. Each of the unique film shoot locations serves as a vehicle to showcase American Pride. The 26-episode series is slated for broadcast the 3rd quarter of 2023 including coverage of the historic Rolling Thunder™ 25th Anniversary Flame of Peace ride along with the national coast-to-coast Ride for Life advocating for Suicide Awareness and Mental Illness Prevention.
