Roger J. Piggott, (an ordained street minister) scattered the remains of **Farron Tilly**, an Army Veteran from Fort Drum, NY who succumbed to suicide along with **William G. Davis** a National Guard from Vincent, Alabama. Roger also carried the remains of a Canadian friend, **Gina Spencer** who lost the battle after a lengthy bout of depression and substance abuse. Their remains were laid to rest on September 8<sup>th</sup>, with the **Patriot Guard and American Legion Riders** at Kingman, AZ on Route 66 at the **Bikers Memorial at Sitgreaves Pass**.

Advocates and veteran groups from **Myrtle Beach, South Carolina** to **Las Vegas, Nevada** gathered along the way to show support to the national severity of PTSD, substance abuse, mental health, and suicide pandemic. Military and veteran related riding groups also gathered at the various media stops to escort the 26-city motorcycle ride across the USA.

**RIDE for LIFE** conveyed a strong message of hope to the veterans and other marginalized people who suffer with mental illness, PTSD, and thoughts of Suicide. These television specials will focus on the current pandemic of SUICIDE among Veterans, First Responders, Teens, Homeless, Native Americans, and Addicts. The television specials created from the 5,000-mile ride will serve as a promotional vehicle to direct the depressed and distraught to counseling and treatment resources, while providing awareness to the **988 National Suicide Helpline Number** and the veteran related services. Roger states, "He made the case for those affected ... To Make the Call."

During the **9/11** ceremonial procedures at **Harley Davidson of Scottsdale, Arizona** Rebecca Holden (LA Actress/singer) sang the national anthem. In Scottsdale, Az, **Alice Cooper** showed his support with the **HEARTS on FIRE Ministry Team**, by conveying the seriousness of the **"National Suicide Pandemic"** especially among the youth. The **Alice Cooper Solid Rock Teen Center** welcomed the film crew to show their support for the pandemic of suicide affecting all social economic levels in the population in America today.

The footage collected will be in a 26-episode television series, **Patriot Nation**, which is being produced for **NRBTV**, currently available in 49 million households in the USA, and online via: **ICE MAN TV Channel** available on **Roku, Apple TV, Android, and Amazon Fire**.
